

ZIZIPHO KAKAZA

Bsc IT:Software Engineering student

Hello, my name is Zizipho, a Salesforce aficionado actively pursuing expertise in software engineering and CRM solutions. I am a Salesforce Certified Admin, driven by a deep commitment to learning and innovation, particularly in using technology to create meaningful impact. Embracing the challenges and opportunities in this field, I'm inspired to represent and empower women in tech. With a passion for growth, I aim to contribute positively to the industry and motivate others to explore careers in technology.
